Aaron has a donation toward an historical marker. He has five new ones planned and will need ideas for locations in Oct.

The museum needs a fireproof cabinet. We have an \$1100 donation if we can come up with \$1000. It was decided that the Apple Fest would be a fund raiser for the cabinet.

Every other year, the second weekend in August will be a Heritage Weekend. Aaron will contact all the historians in county to have a booth. Also old crafts, traders, etc.

Sally made the motion to adjourn, letty seconded.

Next meeting September 17th.
