o 5 New Historical Markers (Aaron)

- The list we came up with is missing; should be in previous minutes; research to determine if suggestions fit the criteria should be done by January.

o Community Involvement

- Participation in Black Friday event, Farmer's Market, Library Grant on ancestry, 4th of July Parade.
- Anne will check with library director to add the information on the ancestry and rotating photos can be put on the library website; we should also have it on our website.
- Beverly reported that Peter Tobiasen has donated a scythe with a wooden rack attached along with a grain cradle and blade
- Beverly also obtained old scales from the post office and the stamps that came with it
- Discussion on having a display on antique farming equipment
- We have had displays on hunting and logging; discussion as to whether we should put logging back in on a smaller scale
- Discussion as to whether we should offer some items to be put into the Rt. 66 buildings; some items have come with the buildings and there is
