

J. Next meeting we will vote on the location on the next five historical markers. The place must be at least 100 years old and not close to another marker.

The group voted for the canoe as the Society's icon. Anne would like to have a plaque made for the museum building. Also it would look good on shirts.

Karon will use the membership list to send life membership cards and renewal reminders to others along with the news letter.

Bev would like to have a date set for the open house.

Next meeting will be February 12th at the library at 7:00.

Respectfully Submitted
