### Historical Markers

We need to think about where to put the next five markers. The markers cost \$200 each. Sandy suggested a picture of a marker, and a donation jar at the Farmers' Market.

Bev suggested that we needed some plants for the chair on the porch.

Peggy made a motion that we only sell items made in the U.S.A. Carol Turri seconded. After discussion Anne made the amendment to the motion that we make a concerted effort to sell items made in the U.S.A. Letty seconded, motion carried.

Karen made the motion to adjourn, Anne seconded.

Next meeting July 15th at Lake Pleasant Central School. 7:00.
